Raelene and Neville also commenced their trip to Western Australia, with their plan to have arrived in Perth on Wednesday.

**FACILITIES UPDATE**

Back on the home front at Loveday school, we have had some facilities developments. We have had light timers installed throughout the school and have also had two skylights installed in the office and staff room. We have also had both of the 22,500 litre tanks delivered, with the second tank delivered on Tuesday. These tanks will be connected to the COLA roof, with plans to use the water for the vegetable garden beds. It is hoped that the garden beds will be installed this week.

**STUDENT FREE DAY**

Last Friday during our student free day, all staff were involved in some valuable training. Brigit and Mrs Kregar attended the SSO training day at Waikerie. Mrs Nettle and I spent the day at Cobdogla school learning about the Big 6 in Reading, as well as the afternoon session spent on looking at non-fiction writing. Both training sessions provided staff with the opportunity to learn new ideas and methodologies to assist us with our everyday teaching.

**EXCURSION TO LYRUP PRIMARY**

Our visit to Lyrup Primary on Friday 1st June was very successful. All the children enjoyed using the Go Karts and being involved in the "Minute To Win It" games and also the "Who Wants To Be A Millionaire?" quiz. We look forward to Lyrup visiting us next term. Below is Jamie’s report of the day.

**PLC MEETING**

Yesterday we hosted staff from our small schools cluster groups for our PLC meetings. These Professional Learning Committees allow us to meet with the other teachers that teach similar year level groups. Our focus for yesterday’s meetings was on Maths and the Australian curriculum.

On the 1/6/12 Loveday Primary School went to Lyrup Primary School. The Lyrup kids showed us around their school. After that we went on the go-karts and an exercise bike. I got the highest heart rate of 188. After lunch we played Minute To Win It games. You had to bounce ping pong balls into eight cups and balance small balls on a
beer bottle. The final game was where we had to keep a balloon in the air. Then we watched a short BTN clip about a boy who had cerebral palsy who wanted to save the Orang-utans. Then we had lunch, and then we played Who Wants To Be A Millionaire? Shannon from Lyrup presented a book to Loveday called Tears in the Jungle written by the kid with cerebral palsy and his brother. The day was fun. Also the lunch was yum, it was spaghetti bolognaise. By Jamie

SCHOOL CHOIR

Today, our choir students attended a choir rehearsal at the Berri Town Hall in preparation for their performance night at the Chaffey Theatre on Wednesday 27th June. I would like to acknowledge and thank Mrs Dunk for her commitment to the choir and for her musical expertise in taking the choir lessons each week.

SMALL SCHOOLS BE ACTIVE

Next Thursday, 21st June, we will be hosting staff and students from Cobdogla, Moorook, Kingston and Lyrup for some Be Active sessions. The students will participate in three different activities between recess and lunch in their year level groups. At lunch time we are offering a Hot Dog and a piece of fruit and cake lunch deal. The order form given yesterday needs to come back tomorrow, Friday. I am looking forward to showcasing our school on this day and to having about 130 students in our school! Parents are welcome to join us for this day.

END OF TERM REWARDS

We are looking forward to celebrating the end of term with a visit to the Barmera Playspace on the last day of Term, Friday 29th June. It will also be a way to reward students for completing at least 20 nights of Home Reading for the second half of the term. We will send more information and a consent form for this at the beginning of week 10.

GOVERNING COUNCIL

Our scheduled Governing Council meeting for the 12th June needed to be postponed due to council members not able to attend the meeting. We have rescheduled the meeting for 19th June, with the Finance Meeting at 2.30 pm and Governing Council at 3.15 pm.

Thank you for your ongoing support,
Rod Hanna ☺

Congratulations to Jamie who is the second to completed the Premier’s Reading Challenge. Please support us and encourage your child/children to read at home.

Wednesday 20th June will be the next Tuck Shop. It will be Honey Mustard Chicken, Mashed Potato, Salad and a hot or cold Milo.
Please make sure your order form with money is in the plastic money bag that was supplied in the newsletter envelope. This needs to be given to Brigit by Tuesday morning.

Sorry, we can’t take any late orders.
Tuck Shop will be held each week either on a Tuesday or Wednesday. Please check the lunch order each week.

Hi everyone!

Just a thought:
Lately I have heard myself saying “You get what you pay for”. If you buy cheap things, they generally don’t last long or don’t do a great job. As a student I learnt this lesson over and over, because I didn’t have the money to buy good quality things. There’s a similar saying; “You reap what you sow”. I think we can apply this thinking to most aspects of our lives; education, relationships, work, health – everything! If you put in a half-hearted effort, the results will show this. The more we nurture our relationships with others with love and care, the more we will find that others love and care about us!

I hope you have a wonderful week.
Love, Erin

Hi everyone!

Just a thought:
Lately I have heard myself saying “You get what you pay for”. If you buy cheap things, they generally don’t last long or don’t do a great job. As a student I learnt this lesson over and over, because I didn’t have the money to buy good quality things. There’s a similar saying; “You reap what you sow”. I think we can apply this thinking to most aspects of our lives; education, relationships, work, health – everything! If you put in a half-hearted effort, the results will show this. The more we nurture our relationships with others with love and care, the more we will find that others love and care about us!

I hope you have a wonderful week.

Love, Erin

Dear Parents,

I would like to begin by sharing the news with you that Raelene and Neville Trimper are proud Grandparents to a baby girl. Their daughter Jodie gave birth to a baby girl in Perth on 2nd June. Raelene and Neville also commenced their trip to Western Australia, with their plan to have arrived in Perth on Wednesday.

FACILITIES UPDATE

Back on the home front at Loveday school, we have had some facilities developments. We have had light timers installed throughout the school and have also had two skylights installed in the office and staff room. We have also had both of the 22,500 litre tanks delivered, with the second tank delivered on Tuesday. These tanks will be connected to the COLA roof, with plans to use the water for the vegetable garden beds. It is hoped that the garden beds will be installed this week.

STUDENT FREE DAY

Last Friday during our student free day, all staff were involved in some valuable training. Brigit and Mrs Kregar attended the SSO training day at Waikerie. Mrs Nettle and I spent the day at Cobdogla school learning about the Big 6 in Reading, as well as the afternoon session spent on looking at non-fiction writing. Both training sessions provided staff with the opportunity to learn new ideas and methodologies to assist us with our everyday teaching.

PLC MEETING

Yesterday we hosted staff from our small schools cluster groups for our PLC meetings. These Professional Learning Committees allow us to meet with the other teachers that teach similar year level groups. Our focus for yesterday’s meetings was on Maths and the Australian curriculum.

EXCURSION TO LYRUP PRIMARY

Our visit to Lyrup Primary on Friday 1st June was very successful. All the children enjoyed using the Go Karts and being involved in the “Minute To Win It” games and also the “Who Wants To Be A Millionaire?” quiz. We look forward to Lyrup visiting us next term. Below is Jamie’s report of the day.

On the 1/6/12 Loveday Primary School went to Lyrup Primary School. The Lyrup kids showed us around their school. After that we went on the go-karts and an exercise bike. I got the highest heart rate of 188. After lunch we played Minute To Win It games. You had to bounce ping pong balls into eight cups and balance small balls on a
beer bottle. The final game was where we had to keep a balloon in the air. Then we watched a short BTN clip about a boy who had cerebral palsy who wanted to save the Orang-utans. Then we had lunch, and then we played Who Wants To Be A Millionaire? Shannon from Lyrup presented a book to Lovelady called Tears in the Jungle written by the kid with cerebral palsy and his brother. The day was fun. Also the lunch was yum, it was spaghetti bolognaise. By Jamie

**SCHOOL CHOIR**

Today, our choir students attended a choir rehearsal at the Berri Town Hall in preparation for their performance night at the Chaffey Theatre on Wednesday 27th June. I would like to acknowledge and thank Mrs Dunk for her commitment to the choir and for her musical expertise in taking the choir lessons each week.

**SMALL SCHOOLS BE ACTIVE**

Next Thursday, 21st June, we will be hosting staff and students from Cobdogla, Moorook, Kingston and Lyrup for some Be Active sessions. The students will participate in three different activities between recess and lunch in their year level groups. At lunch time we are offering a Hot Dog and a piece of fruit and cake lunch deal. The order form given yesterday needs to come back tomorrow, Friday. I am looking forward to showcasing our school on this day and to having about 130 students in our school. Parents are welcome to join us for this day.

**END OF TERM REWARDS**

We are looking forward to celebrating the end of term with a visit to the Barmera Playspace on the last day of Term, Friday 29th June. It will also be a way to reward students for completing at least 20 nights of Home Reading for the second half of the term. We will send more information and a consent form for this at the beginning of week 10.

**GOVERNING COUNCIL**

Our scheduled Governing Council meeting for the 12th June needed to be postponed due to council members not able to attend the meeting. We have rescheduled the meeting for 19th June, with the Finance Meeting at 2.30 pm and Governing Council at 3.15 pm.

Thank you for your ongoing support,

Rod Hanna 😊

Congratulations to Jamie who is the second to completed the Premier’s Reading Challenge. Please support us and encourage your child/children to read at home.
