CURRENT FOCUS VALUES

Honesty and Respect

Dear Parents,

Welcome to week 10. How quickly the term has gone by! With the introduction of the new Australian Curriculum this year, schools are required to report to parents by the end of the year in Maths and Science. Many schools have started the process and are reporting to parents in these two subject areas this term. We have also decided that we will report to you this term using the Australian Curriculum. This means that our report format has changed from the end of last year. When you receive your child's report on Friday, you will notice that we have included the achievement standards for Maths and Science, which describes the learning that students will do in those subject areas by the end of the year. Not all areas of the curriculum have been covered at this stage. We will also be sending home the X-Files and Home Folders at the end of the term. May I encourage you to please take the time to look at your child's work with them, which will give them the opportunity to talk to you about their work. Thank you in advance for signing the cover page, writing some comments and returning the folder during the first week back in Term Three.

SMALL SCHOOLS BE ACTIVE DAY

Last Thursday, we held our Small Schools Be Active Day, with students and staff from Cobdogla, Moorook, Kingston and Lyrup joining us. Unfortunately the weather caused us some problems, requiring us to make use of all available classroom spaces for year level groups to do modified activities. I am pleased to inform you that we raised approximately \$160.00 from our hot dog day, fruit and cake lunch from the serving of 130 hot dogs. This was made more manageable by the great support from Kym, Jenny and Margot from Erin's church, who kindly gave up their time to help prepare and serve the lunches. A special thank you to Dari, another member of the congregation, who donated some delightful home-made cakes. Thank you also to Erin for spreading the good word about our school to her church members. I would also like to thank Bunny Davis for donating a box of yummy oranges and to Johnny Kregar who delivered them, Jody Wilkinson-Thompson and Brigit for donating cakes.

ABC RADIO - CHOIR

If you happened to be listening to the ABC on Tuesday morning at 10.15am, you would have heard Brittany and Leanne being interviewed for a segment about what is happening in Riverland Schools. Congratulations to both girls who represented the school well during the interview.

Last night, Brittany and Leanne were part of the Riverland Choir that performed to a full house at the Chaffey Theatre. It was an excellent concert and a wonderful experience for the girls. Well done girls for making the commitment with the Choir. The school Choir is not possible without the wonderful contribution and commitment made by Dorothy Dunk. Thank you Dorothy ☺

SCHOOL VEGETABLE GARDEN

There has been a delay in this being completed, due to a late order for some steel posts. The concrete posts for the borders were delivered on Monday, with the work to be completed hopefully today. This will allow us to plant the vegetables that have been purchased before the end of the term. We have also been given a number of strawberry plants from Wanda and John Thompson. I am looking forward to working together with the children on the garden project. They are keen to be involved with the planting and caring for their own garden plot.

STUDENT FREE DAY

A reminder that Governing Council has approved a student free day for the first day back of Term Three. Our small schools will meet to work on assessment in Mathematics on Monday July the 16th.

This will mean that students will resume school for the start of Term Three on Tuesday July the 17th.

END OF TERM REWARD

As you are aware from the consent notice sent home on Wednesday, we are rewarding our students and celebrating the end of term by going to the Barmera Playspace on Friday. We will leave at 11.30am and will return by 1.45pm. This will include lunch that we will provide for the students. Please also note that children will be dismissed at 2.00pm on Friday for the start of the two weeks holiday break.

I have really enjoyed this term at Loveday School and am already thinking about plans for Term Three. It is important that we keep striving for an environment of continuous improvement with our students. Have a great holiday break with your child/children and I look forward to working together with you again in Term Three.

To support our Healthy Eating program can you please make sure that your child brings a water bottle and a healthy snack for our 10.00am Healthy Eating break.

Thank you for your ongoing support,

Rod Hanna ☺

Please support us and encourage your child/children to read at home.

Wednesday 25th July will be the next Tuck Shop. It will be Pancakes with a milk drink. Orders will be given out in Week One, Term Three. Please make sure your order form with money is in the plastic money bag that was supplied in your newsletter envelope and is given to Brigit by Tuesday morning.

Sorry, we can't take any late orders.

Tuck Shop will be held each week either on a Tuesday or Wednesday. Please check the lunch order each week.

Adidas School Fun Run

A **big** thankyou to Rod, Jo and Brigit for all their help with the Fun Run.

We raised \$259.50. The prizes were given out last week.

Next term we will be having 'A Pet Day' and 'Wheel's Day'

Thank you
Gaynor and Erin ☺

Hello everyone ☺

I hope you are all keeping warm and well! School holidays are here once again! Didn't term two go quickly? We've achieved a lot this term, with Tuck Shop starting up again, the Small Schools Be Active day, the Fun Run, the mural for the Loveday Store and the School Choir performance. Congratulations everyone!

Often in the July school holidays the weather isn't great for children to do outdoor activities, so I thought I would share some ideas that you could do at home as a family on a cold wet day:

- Bake something delicious!
- Get out the family photo album and take a trip down memory lane.
- Write letters to grandparents or other family members.
- Learn to play the ukulele together!
- Clean the house together (have a pick-up party!)
- Learn sign language.
- Start a family journal.
- Play cards.
- Make crafts.
- Make your own family cards for birthdays or get in early for Christmas.
- Play charades.
- Play board games.
- Sew a family quilt/ rug together.
- Sing some of your favourite songs.
- Hire a hilarious movie and make popcorn.

I hope you all have an enjoyable and relaxing break, ready for a next term!

I look forward to seeing you all in Term Three!

Enjoy the rest of the term.

Love, Erin
