P.E. Week

VALUES: Respect, Honesty, Caring, Cooperation, Responsibility, Self Discipline

CURRENT FOCUS VALUE

Responsibility

Dear Parents,
Welcome back to Term Four.
I am very pleased to be back at Loveday Primary working with everyone again.
A very special thank you to all staff, students and family members for working with Mr Rod Hanna during Terms Two and Three. Well done on the many successful achievements and activities over the past two terms.

TRAINING AND DEVELOPMENT

Staff joined with Barmera, Cobdogla, Kingston-On-Murray, Moorook and Lyrup to have Training and Development on the Australian Curriculum - English on Monday 8th October.
The day involved sessions where staff became more familiar with the English Learning Area in particular Language, Literature and Literacy. All schools are required to report on English to parents by the end of 2013.

VEGETABLE GARDEN

The students had great delight in harvesting the strawberries, snow peas, silver beet, parsley, carrots, broccoli and spinach from the school vegetable garden.

Please enjoy the students' comments.

VISIT TO LYNCH'S ORCHIDS

Joe has proudly taken us to see his Nan and Pop's orchids. It was wonderful for Joe to share his passion and interest in orchids with us. Hopefully we will have some of our own orchids at school. Thank you Joe, Nan and Pop.

Please enjoy the students' comments.

VISIT TO WILKINSON'S LOVEDAY JAIL

Former parents Ken and Heather Wilkinson have invited us to visit their property. This is a solid cement building which was a jail used during World War 2 as part of the Loveday Internment Camp. What an amazing experience to see the very small dark cells that people had to live in for four years!! Please see the next newsletter for photos and comments.

SPORTS DAY AT COBDOGLA OVAL

Loveday Primary is joining Cobdogla, Lyrup, Kingston-On-Murray, Moorook and Winkie for a sports day on Thursday 18th October, 9.30pm to 2.30pm at the Cobdogla Oval.

More details will be on a separate note. All family members are invited to join us for the day.

MILDURA CAMP

Plans are underway for all students and staff to participate in a School Camp in Mildura in Week Four, Wednesday 31st October to Friday 2nd November. Detailed information, medical and consent forms are going home this week. Please return medical and consent forms as soon as possible. We are looking forward to having a great leaning and social time.

To support our Healthy Eating program can you please make sure that your child brings a water bottle and a healthy snack for our 10.00am Healthy Eating break.

All children must wear a hat. No hat no play

Keep smiling,

Raelene ☺

Next **Wednesday 17th** will be our next Tuck shop and it will be a Chicken Paprika with rice. Please make sure your order form with money is in the plastic money bag that was supplied in your newsletter envelope and is given to Brigit by **Tuesday** morning.

Sorry, we can't take any late orders.

Tuck Shop will be held each week either on a Tuesday or Wednesday. Please check the lunch order each week.

Hi everyone,

Welcome back to our final school term for the year! We have a lot planned. I'm really looking forward to our school camp in week 4. We have some Christian seminars planned. A ventriloquist will be visiting in week 3, which should be very entertaining. In week 5 we have a Christmas seminar planned with Cobdogla Primary. There will be some Christian content included in these, so please let me know if you have any concerns or want to talk about it beforehand. You can opt for your child not to attend. I'm really looking forward to doing some more pottery with the students and working with SRC to plans some wonderful activities for the school to enjoy. The **Monday** morning **Coffee and Chat** will continue this term between **9:30-10:30**. I would love to catch up with you!

Once again, this year is flying by. I'm reminded of a quote by Ferris Bueller "Life moves pretty fast. If you don't stop and look around once in a while, you could miss it."

I hope you have a great week!

Love, Erin ☺

JOKE CORNER

Three people were standing under an umbrella....
Which one got wet?

None of them! It wasn't raining

By Jessica

Our visit to see the orchids

On Thursday morning the school went to look at the orchids. When we first walked in there were lots of flowers. We went to where Joe's were. He had a lot of plants. Next we went to a shed with lots of flowers. We went into the hot house. My favourite orchards were the bright red and dark red. I really liked the flowers. Hopefully I will have my own orchid at school.

Brittany

We walked to Nan and Pop's and looked at the orchids. I liked the orchids. We asked some questions. There were red flowers, yellow flowers, white flowers, purple flowers, orange and green flowers. Pop talked about his orchids and Joe showed his.

Madison

Madison and Joe
with Nan and Pop

Thursday morning the whole school went to my Nan and Pop's house to see the orchids. There were white, red, green, brown, yellow, purple and pink flowers. Pop talked about types of orchids and I showed the school my shade house where I put my orchids. I enjoyed showing the school around my Nan and Pop's house so they could have a look at the orchids

Joe

Our vegetable garden

On Tuesday we picked the vegetables. We picked strawberries, carrots, silver beet, parsley, broccoli and snow peas. We used them for healthy eating. We also got to take some parsley and silver beet home. The carrots looked really weird because of their shape. We planted them at the end of term two. We planted beans, cucumber and tomatoes in term three.

Jamie

At the end of term two we planted some vegies in our garden. We picked them on Tuesday. For healthy eating we ate some of the vegies. They were really yummy.

Leanne

On the end of term two, we planted snow peas, onions, brown onions, strawberries, peas, broccoli, carrots, spinach, silver beet, parsley, tomatoes, cucumbers and beans. We watered and fertilised them to make them grow. On Tuesday we picked some of them and had them for healthy eating and we brought them home.
