CURRENT FOCUS VALUE  
*Responsibility*

Dear Parents,  
Thank you to all who attended the Governing Council meeting. After much discussion it has been agreed that Loveday Primary School has a 90<sup>th</sup> Birthday Celebration in 2013. All interested people are invited to an Open Meeting on Tuesday 6<sup>th</sup> November 6.30pm in the Library.

### SHADE HOUSE

WOW!! What a fantastic job done by Leanne, Brittany, Jamie and Paul Thompson to remove the green shade cloth and by Jamie and Stephen Lynch to put the white shade cloth on the shade house.

A huge thank you to Stephen and MaryAnne for the magnificent orchid plants. Their generosity and support are truly appreciated.

### WILKINSON'S LOVEDAY JAIL VISIT

Students will be using this experience for Nonfiction writing.

Mr Wilkinson sprayed the wall with water and pictures appeared.

Going into the jail

Standing in a cell.

On Thursday the 11<sup>th</sup> of October, we walked to the Loveday Internment Camp. Ken and Heather Wilkinson showed us the Prison Camp. The cells were for high ranked soldiers. In some of the cells the prisoners carved little pictures in the walls. The walls were made from thick concrete. They showed us carvings of horses, bulls, little islands, pineapples, writing and Australia.

**Jamie**

The whole school walked to Ken and Heather Wilkinson's house to see the old jail. The jail was used in World War 2. In one room we saw engravings in the walls. There was a horse, a bull and some palm trees. We saw how little light they got. It was very interesting.

**Brittany**

On the 11<sup>th</sup> we walked to Ken and Heather Wilkinson's house. They live in the old Internment Camp. When we went in there we went in one of the cells. At first they had a big light on so we could see the pictures on the wall when water was sprayed on them. There was a horse, two bulls and an island. They then turned the light off. It was really dark. It was really cool.

Wednesday, week five will be our next Tuck shop. Thank you to Jody Wilkinson-Thompson. Order forms will go home after school camp.

Hi everyone,  
I hope you are having a good week. What a fantastic time to be in the Riverland. We had the Food and Wine festival over the weekend and the Rose Festival. I love this time leading up to Christmas, with all the festivals, pageants and Christmas parties. We also have a lot of wonderful events planned for Loveday Primary. This week we saw a ventriloquist perform at Cobdogla Primary. Everyone is looking forward to our school camp to Mildura next week. Don't forget **Coffee and Chat** is happening every **Monday** from **9:30 – 10:30am**. Everyone is welcome. I'd love to catch up!

Something to think about:

### Children's self-esteem

Healthy self-esteem is feeling good about yourself, and feeling that you are a worthwhile person. While we all have self-doubts at times, it is important for children to feel okay about themselves most of the time. Self-esteem enables them to try new things without too much fear of failing, to reach out and make friends, and to manage problems they are likely to meet along the way. Self-esteem builds a solid foundation for coping with life.

I hope you get a chance to enjoy some of the wonderful things happening in the Riverland at the moment. Have a great week!

Love, Erin ☺
