Hello everyone ☺️

Once again another term has flown by. During the winter school holidays it is sometimes tricky to keep children entertained when it’s raining outside. Here are some activities ideas for the children and for the family:

- Art/ craft project.
- Activity books
- A giant jigsaw puzzle (the Wasgij puzzles are a lot of fun)
- Paper-mache
- Collage (you could make a collage of family photos to put on the wall)
- Play card games
- Family board games
- Family movie day/night with popcorn
- Scavenger hunt around the home
- Fashion show with the kid’s wardrobes (at the same time you can check what doesn’t fit anymore and donate to the local op-shop)
- Put on gumboots and a rain jacket and have an adventure in the rain!
- Help your children write a letter/card to someone they haven’t seen in a while. Grandparents, aunts and uncles will love to receive a handwritten letter in the post.

I hope you have a wonderful holiday break and come back refreshed for term 3!

Love, Erin
